Message From Our Manager

As we move through the early months of the year, it has been lovely to see the home full of activity and community spirit. From celebrating special occasions together to enjoying daily routines and keeping active, there has been plenty happening around Bay Court.

Our aim is always to create a welcoming environment where residents feel comfortable, valued and involved. It is wonderful to see residents, families and staff sharing these moments together and continuing to build friendships and connections within the home.

Thank you to everyone who contributes to making Bay Court such a positive and supportive place to live and work. We hope you enjoy reading about what we have been up to recently.

RECENT ACTIVITIES

Galentine's & Valentine's Day Celebrations

February gave us a lovely opportunity to celebrate both Galentine's Day and Valentine's Day. Galentine's Day is all about celebrating female friendships and recognising the importance of those connections at any stage of life. It's never too late to make new friends and share meaningful moments together.

Residents enjoyed an afternoon of pampering and socialising, with face masks, hair styling and plenty of sweet treats to share. The home was decorated for the occasion, and even the meals and snacks were prepared with a Valentine's theme.

A big thank you goes to our head chef, carers and management team who worked together to make the day feel special for everyone.

Staying Active with Morning Exercise

Our morning exercise sessions continue to be a popular way to start the day. These gentle activities help residents wake up both their minds and bodies, setting a positive tone for the day ahead.

Regular physical activity is particularly important for older adults as it helps maintain mobility, strength and balance while also supporting mental wellbeing. Our sessions are designed so that everyone can participate at a pace that suits them.

Residents enjoy taking part together, encouraging one another and feeling the benefits of staying active.

Burns Day Celebrations

We celebrated Burns Day with music, movement and a strong sense of Scottish tradition. A special thank you goes to North Star Dance Studio in Largs, who visited the home and performed a variety of dance styles for our residents. Their performance brought great energy to the celebration and was thoroughly enjoyed by everyone watching.

It was a wonderful way to mark the occasion and celebrate Scottish culture within the home.

NEWS & UPDATES

Employee of the Month

At Bay Court, we encourage residents, relatives, staff and visitors to nominate a member of staff each month who demonstrates our core values:

Kindness, Trust, Passion, Inclusiveness & Respect

Nomination slips can be placed in the collection box located in our café, and submissions can be anonymous if preferred.

After counting the votes for February, we are delighted to announce that Andy, our Second Chef, has been chosen as Employee of the Month.

Andy receives wonderful feedback not only for his cooking and home baking but also for his willingness to accommodate residents' requests and the passion he shows in his role every day. Congratulations Andy and perhaps it is time for a celebratory cake!
